

**Bay Delta Conservation Plan
Biological Goals and Objectives Working Group
9:00 am – 12:00 am March 17, 2009
Resources Building Room 1131**

CALL IN LINE: 1-800-366-7242; code—93878#

Meeting Agenda

Meeting Purpose:

- Review and discussion of revised SAIC proposed biological goals and objectives for fish and terrestrial covered species

Expected Outcomes:

- Completion of a working draft set of biological goals and objectives that can guide development of conservation measures for terrestrial species
- Next steps for incorporating goals and objectives into the first draft BDCP document

Agenda Items:

1. Agenda overview
2. Overview and discussion of relationships among goals, objectives, conservation measures, monitoring, and adaptive decision making—**SAIC/Group**
3. Review of fish goals and objectives and revised natural community goals and objectives—**SAIC/Group**
4. Discussion of next steps for completing fish goals and objectives—**Group**
5. Brief overview of potential level of impacts of covered activities on terrestrial covered species—**SAIC/Group**
6. Review and discussion of draft covered terrestrial species biological goals and objectives—**Group**
7. Action items and next meeting agenda items
